

**AMENDMENTS TO THE DRAWINGS**

Applicant respectfully requests the Office to replace the replacement sheets of drawings containing FIGs. 4 and 11, as-filed on April 10, 2010, with the attached Replacement Sheets of drawings. The attached Replacement Sheets include all of the figures appearing on the immediate prior version of each sheet. Applicant states that the amendments made herein to FIGs. 4 and 11 add no new matter.

The Replacement Sheets of drawings follow page 3 of this paper.

**REMARKS**

Applicant noted that in the replacement sheet of FIG. 4, filed on April 10, 2010, the font size of Reference Numbers 71, 72, and 73 was smaller than the font size of all other reference numbers in that figure. For consistency, Applicant respectfully requests the Office to replace the replacement sheet of drawings including FIG. 4, filed on April 10, 2010, with the attached Replacement Sheet of drawings containing FIG. 4. In the attached Replacement Sheet, Applicant increased the font size of reference numbers 71, 72, and 73, no other changes were made to this figure.

Applicant noted that in the replacement sheet of FIG. 11, filed on April 10, 2010, reference numbers 55, 60, 61, 62, and 63 and their respective lead lines were illustrated in duplicate, with a first set of reference numbers and lead lines overlaying a second set of similar reference numbers and lead lines. The differences in the first and second sets of reference numbers related only to the font size of the reference numbers. The overlay obscured at least reference numbers 55, 61, 62, and 63, making these numbers difficult to read. For clarity, Applicant respectfully requests the Office to replace the replacement sheet of drawings including FIG. 11, filed on April 10, 2010, with the attached Replacement Sheet of drawings containing FIG. 11. Applicant removed one set of duplicated reference numbers 55, 60, 61, 62, and 63 and their respective lead lines in the attached Replacement Sheet, no other changes were made to this figure.

No new matter was added by the amendments to FIGs. 4 and 11.

It is believed that no additional fees are required as a result of the filing of this Supplemental Amendment.
